Multiple FRATs Profiles

Multiple FRATs Profiles

Log-In

- To begin, log into your **FitPlan.com** account with your username and password.
- From the **Main Menu** page, click on the **Premium Services** button and then click on the **SMS** link.
- You will be redirected to the **SMS Dashboard** page.

SMS Dashboard Page

- On the right side of the **SMS Dashboard** page you will see the **Edit Default FRAT Info** link.
- Click on this link and you will be redirected to the **FRAT Profile Main Page**, where you can choose to **add** a new profile, or **edit** an existing profile.

FRAT Profile Main Page

FRAT Profile:

FRAT Score Limits	
Minimum	Maximum
0	0

#	Hazard
1	
2	
3	

Value	Active
	NO
	NO
	YES
	NO
	NO

- If you would like to add a profile to your **FRAT Profiles**, click the **Create** button.
- After you click the **Create** button, you will then be redirected to the **FRAT Profile Edit** page.
- Enter what you would like to name your **FRAT Profiles** in the text box next to the label **FRAT Profile**.
- Set the minimum and maximum of your **FRAT Score Limits** in the **FRAT Score Limits** box.
- Enter your **Hazards**, their **Values**, and whether they are **Active** or not in the **Hazard Form** below the **FRAT Score Limits** box.
- To make your **Hazard Active** or **Inactive**, select the drop-down box beneath the **Active** column and then select **YES** or **NO**.
- As a note, if you would like to set one of the **Hazard Fields** as a header, set the **Value** of that particular **Hazard** as **0**.
- When finished, make sure to click the **Press Here to Save** button to save your information.
- If you would like to reset this **FRAT Profile**, then click the **Reset Form** button.

Multiple FRATs Profiles

- After finishing your **Default FRAT Information**, you will be redirected to the **SMS Dashboard**.

Enter A New FRAT

- Click on the **New FRAT** link on the **SMS Dashboard** page to enter a new FRAT.
- You will be brought to the **Create SMS FRAT** page.
- Fill in the pertinent information in the **Enter Information** section, including the **Departure Date**, **Departure Time (Zulu HHMM)**, **Departure Airport**, **Arrival Airport**, **PIC**, **SIC**, and **Aircraft Registration**.

Create New FRAT

FRAT Listing Without an Entered Flight Plan

- If you would like to create a new **FRAT** without an existing flight plan, click the **Create New FRAT** button beneath the **FRAT Listing without an entered flight plan** section.

Enter FRAT w/o a Flight Plan

- You will be redirected to the **Enter FRAT w/o a Flight Plan** page.

Multiple FRATs Profiles

- Fill in the pertinent information in the **Enter Information** section, including the **Departure Date**, **Departure Time (Zulu HHMM)**, **Departure Airport**, **Arrival Airport**, **PIC**, **SIC**, and **Aircraft Registration**.
- Click the **Press Here When Done** button at the bottom of the section.
- On the left side of the page you will see the **FRAT**.
- Check the check boxes on the left of a particular **Hazard Field** to indicate that the **Hazard** is present.
- Continue checking the **Hazards** present for your entire **FRAT**.
- A total will be calculated at the bottom of your **FRAT**, and beneath the total is a section to enter **Pilot Notes**.
- When finished, click the **SAVE and SUBMIT** button to save your information.
- If you would like to clear your **FRAT** form, click the **Clear Form** button.
- If you would like to reset your **FRAT** form, click the **Reset Form** button.
- After you save and submit your **FRAT**, you will be redirected to the **FRAT Listing** page.

The screenshot shows a web-based form for FRAT (Flight Readiness Assessment Test) profiles. It is divided into several sections:

- Equipment:** A table with columns for item ID, description, weight, and score. Items include 'SPECIAL FLIGHT PERMIT OPERATION (FERRY PERMIT)', 'MEL / CDL ITEMS (ITEMS RELATED TO SAFETY OF FLIGHT)', and 'SPECIAL FLIGHT LIMITATIONS BASED ON AIRCRAFT EQUIPMENT LIMITATIONS'. A 'Total Factor Score - Section 3' is also shown.
- User Defined:** A section for user-defined parameters.
- TEST HEADER:** A section for test header information, including a 'Total Factor Score - Section 4'.
- Totals:** A summary row showing a total score of 146 out of a possible 200 (Minimum Limit = 25, Maximum Limit = 35).
- Pilot Notes:** A text area for entering pilot notes.
- Buttons:** 'SAVE and SUBMIT', 'Reset Form', and 'Clear Form' buttons are located at the bottom.

Default FRAT Data

- On the **FRAT Listing** page there is a section labeled, **Default FRAT Data** with two buttons, **Edit Aircraft Profiles** and **Edit Default Pilot Data**.

Edit Aircraft Profiles

Edit Aircraft Profiles Button

- Click on the **Edit Aircraft Profiles** button, you will be brought to the **FRAT Profiles** page.
- From this page, assign a **FRAT** profile to an aircraft by clicking on the **FRAT Profile** drop-down box next to your corresponding aircraft.
- Click on the **Press Here When Done** button to save this information.

Multiple FRATs Profiles

Edit Default Pilot Data

Edit Default Pilot Data Button

- Click on the **Edit Default Pilot Data** button and you will be brought to the **Pilot Qualifications** page.
- You can enter **Pilot Qualifications** beneath the **Captain** or **First Officer** columns.
- Click on the **Press Here When Done** button to save your information.
